

Action: 1 To establish a new Fingal Integrated Transport Forum in 2006 to address the existing and future surface transport problems impacting on Fingal and the Greater Dublin Area, in terms of capacity, performance and future competitiveness.

Rationale The unprecedented economic growth within the Greater Dublin Area and specifically Fingal.
 The need to address key transport modes at county, regional and local levels.
 Difficulty with connectivity within and outside the county.
 The need to upgrade transport service provision.
 The need to minimise the negative impacts of car congestion.

Key Steps To undertake an audit of transport service provision including cross-county and boundary dimensions.
 To develop a policy statement on the provision of integrated transport in Fingal in 2006, having regard to the objectives of FCC's County Development Plan.
 Develop a new integrated transport strategy for Fingal highlighting public, tourism and business needs including signage strategy.
 Devise a localised Transport Strategy / Action Plan to determine how best to improve services to the existing and emerging towns in Fingal.
 To consult with key adjoining County Development Boards / County Councils and others to help influence integrated transport policy implementation.
 To facilitate the early and co-ordinated provision of Metro and interconnectivity in the public transport system.
